

Precalculus: Mathematics for Calculus (International ed of 6th revised ed)

By James Stewart, Lothar Redlin, Saleem Watson

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Precalculus: Mathematics for Calculus (International ed of 6th revised ed), James Stewart, Lothar Redlin, Saleem Watson, This best selling author team explains concepts simply and clearly, without glossing over difficult points. Problem solving and mathematical modeling are introduced early and reinforced throughout, providing students with a solid foundation in the principles of mathematical thinking. Comprehensive and evenly paced, this book provides complete coverage of the function concept, and integrates a significant amount of graphing calculator material to help students develop insight into mathematical ideas. The authors' attention to detail and clarity, the same as found in James Stewart's market-leading Calculus text, is what makes this text the market leader.

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

-- **Trent Monahan**

The ebook is easy to read and preferable to understand. It is actually written in straightforward words and never hard to understand. I realized this publication from my dad and I encouraged this ebook to understand.
