

The Battle of Flodden Field: The Defeat of the Scots by the English, 1513 (Paperback)

Filesize: 2.54 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE BATTLE OF FLODDEN FIELD: THE DEFEAT OF THE SCOTS BY THE ENGLISH, 1513 (PAPERBACK)

DOWNLOAD

Leonaur Ltd, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A fateful day for Scotland The Battle of Flodden Field was founded upon the soundest of military maxims- to take the enemy in rear whilst he is directed upon another enemy. Unfortunately, as with all strategies, it is never more than a plan and being good or sound is no guarantee of success as James IV, King of Scotland, found out to his fatal cost. In 1513, the year of the battle, Henry VIII, the formidable Tudor king sat upon the throne of England though he was on the continent as war raged with France. The King of Scotland was persuaded by the Queen of France to join in the fray, to his own advantage, in a renewal of that famous alliance said to exist between the two kingdoms. A Scots invasion force moved south into Northumbria where, upon a pretext, King James crossed the Tweed at Coldstream, burning castles and property, as he advanced at the head of a formidable Scottish Army of over 60, 000 men. Whilst King Henry was abroad the defence of the realm was put into the capable hands of Thomas Howard, Earl of Surrey, who moved northwards, gathering forces as he marched. The initial position as the armies faced one another was close to Millfield Plain where each side fielded approximately 30,000 men with the Scots holding the high ground. However both sides manoeuvred for position along the River Till, the English finally crossing it unopposed. The battle, which was originally known as the Battle of Branxton after the site of the Scottish position on its heights, was mostly fought at close quarters, in the manner of the 16th century, and was a scene of barely conceivable carnage...
