Skittish Endeavours, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Window shopping! Don't you just hate the term? It is like going into a sweet shop and not being able to buy anything, or not knowing what to buy first. That is exactly my line of business, helping people make the right choice. I'm one of those fashion consultants that are so popular nowadays amongst the upper crust, although I started ages ago. Choosing the right clothes for the right occasion is not an easy task: the dress has to match your personality and, if it can, enhance it. This story is about how I abandoned the rat race, spending days in a legal office, and followed my dream of becoming a fashion consultant. I believe I'm something more though, I'm a Retail Therapist and I'm sure you are itching to know the story about how I started and how I helped my clients look fabulous! So, what are you waiting for? Hurry up, click that buy button up there and be prepared to enter the mysterious world of a Berkshire Retail Therapist girl.
