Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from *Andreas and the Fates of the Apost: Two Anglo-Saxon Narrative Poems* Although editions of the text of *Andreas* have been made from time to time, no comprehensive treatment of the poem on its various sides of Interest has appeared since Grimm published his *Andreas und Elene* in 1840. In the meantime our knowledge of the language and the literature of the Anglo-Saxon period has not remained stationary, and a new endeavor to present the poem in its proper linguistic and historical setting needs no apology. *The Fates of the Apostles* is here edited for the first time in its entirety and with explanatory comment. Where the readings of the reproduction are uncertain, which happens but rarely, recourse has been had to the *Bibliothek* and to *Napier s* collation of the text of the *Bibliothek* with the manuscript. Readings derived from either of the two latter sources are always specifically indicated. In the Text all departures from the manuscript readings which originate with the present editor are printed in italics; readings suggested by earlier editors or commentators which are incorporated into the text are printed in Roman type. Additions of a complete word or of several words are enclosed within square brackets. With the exception of a few of the commoner forms of the pronoun, the article, and the conjunctions, the Glossary is intended to be a complete verbal and grammatical index to both poems. No space has been given, in the Introduction,...
