SEOUL NIGHTS AND NEW YORK MORNINGS VOL. 1 (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dolly Moore-Reids has a lot things on her mind. Following her high school sweetheart and her divorcing a couple months prior, she also remembers an accident that caused her to hate her face. With her social anxiety, she puts on a mask as a teacher at an art college; if she doesn't do this, she fears people will shun and taunt her like they did before. Like during the accident. Dolly can't even stand seeing her face in photographs. Also being involved with her colleague, makes it even more difficult to keep her secret. In one of the classes she teaches, she meets 18 year-old, Hwang Ji-Soo. He's a gorgeous, mysterious person with a secret like hers. He's wearing a mask too, and it's not pretty. She even thought they would not cross paths until he asks to draw her one day. A mature short story called Hoodcadia is included.
