GIFT TO A SON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gift To A Son is a poetic story, but not an actual poem, of a young man dealing with death and his own abuse. Wanting to know the actual events that occur at the moment of death. He sees things through the eyes of his prey as well as the eyes of a murderer. Sometimes even speaking to his victim in their final moments to understand what they see. He is plagued by hallucinations, spirits haunting him, and self loathing. The book is separated by two timelines. One is from his perspective as the events of the story unfold. The second is from his note journal where he is looking back on what has happened and giving his ideas on what he did. The book deals with many topics including life, death, god, society, and murder. It is horror/thriller and poetry mixed to perfection.
