Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Blockchain is the next big unlock. - Jack Dorsey, CEO of Twitter We are on the brink of witnessing a technology revolution. And it is being compared to The Internet, Mobile and Social Media. This doesn't happen very often. In this book, you will find out what exactly everyone is buzzing about and why. More than 1 Billion Dollars have been invested into Blockchain. Hundreds of startups and financial organizations are working on improving and scaling this technology. So what exactly is it? To put it simply, Blockchain is a piece of software technology that allows people or devices on a network to validate things securely. This is the backbone of Bitcoin and other cryptocurrencies. Millionaires are being made as a result of this. Do you want to stand aside and watch? Or do you want to seize the opportunity? Inside this book, you will learn: Basics of Blockchain: All the necessary fundamentals The Blockchain Ecosystem: How it works the way it does Applications of Blockchain: Where it is being used The Secret Sauce: What makes Blockchain so special How to Profit from Blockchain: Investing strategies and potential risks Future of Blockchain: What will the landscape look like in 10 years? The good thing is that Blockchain is still in the early stages. A short opening is available for those who are curious enough to learn and explore the options. 5 years from now, you will either regret not taking action or be proud that you actually got involved. Either way, the best thing for you to do now is to be informed. Don't be blind to this revolution! Get the book today to learn all the essential knowledge...
