Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lord Grey of the Reform Bill: Being the Life of Charles, Second Earl Grey When the late Earl Grey invited me, in 1913, to make use of the Howick Papers, In order to write the life of his grandfather, I asked him whether I might be allowed a freedom of historical comment more extensive than would be proper in the biography of a statesman recently dead. The permission was granted with characteristic readiness and generosity. My work was interrupted by an interval of more than four years of war, during which the late Lord Grey died, but his son, in the same spirit, desired me to complete the book.
