This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Textbook of Bio-identical Hormones is about the Life-Saving Benefits of Natural Hormone Balancing. Today, with the uncertainty of Healthcare, everyone needs to take protective steps to Stay Healthy. One would think that something as valuable as the medical discoveries linking our health to balancing our natural bio-identical hormones would achieve easy recognition and be quickly implemented. Regrettably, they fall into a deep abyss and are too often forgotten in conventional medical practice. Dr. Edward Lichten has successfully applied, refined, and invented medical treatments based on natural hormone restoration that can reverse the course of disorders as diverse as diabetes, pre-menstrual syndrome, ulcerative colitis, Low-T, fibromyalgia, menopause, heart failure, high cholesterol, osteoporosis, uterine bleeding and so many others. He wrote this book because of the dangerous state of confusion about what women and men should do to properly balance their hormones. As Dr. Lichten states: This book serves as an outreach to those who I will never meet, but will hopefully find effective solutions to their medical concerns via the information conveyed herein. The proven benefit of natural hormone restoration is the reversal of many unwanted effects that aging inflicts on the human body. The case histories presented in this book are by themselves completing enough to make it a must read for physicians and health-conscious individuals seeking safe, natural, and effective approaches to intractable illnesses. You will want to keep this Textbook of Bio-identical...
