Blank pages at the end of the book to test your coloring implements Due to the thickness of the paper, colored pencils are recommended. Markers may be used, though having a sheet of cardstock or a few pieces of copy paper under the page you are coloring is useful to prevent possible bleed-through onto the next illustration. Each illustration has been digitally and manually cleaned up while remaining as true to the original scan as possible, in order to create an enjoyable coloring experience. This volume is part of the Vintage Coloring series of adult coloring books by late nineteenth-early twentieth century artists.
