ADAM ROBISON AND OTHER POEMS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. First published in 2010 by Narrow House Books, the mis-eponymous collection of poetry by Adam Robison is made available again here, unabridged and unchanged, and includes all the classics, like I m Going to Have SEX with these People, Glenn Tipton and It s Down to Mom or CLAUDIIIIIIIIINE. Adam Robinson s mix of classical and mundane references imbues lines like There would be a pronounced lack/ Of throwing Nerf balls to paralytics/ In the basement with more meaning than they have any right to have. - Baltimore City Paper This is one to drink milk in bed with. -HTMLGiant This is a book of pristine openings and closings, preoccupied with structure, literary convention, popular and intellectual culture, biography, genre and identity. Somewhat skeptically, it marks out a testing ground for poetry. And poetry, confident in those sparkling titles and last lines, jumps into the ring - Mairead Byrne, author of TALK POETRY.
