Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Little, Brown Book Group, United Kingdom, 2012. Hardback. Condition: New. Language: English . Brand New Book. Nostalgic, witty and filled with characters and situations that people of all ages will recognise, Dear Lupin is the entire correspondence of a Father to his only son, spanning nearly 25 years. Roger Mortimer s sometimes hilarious, sometimes touching, always generous letters to his son are packed with anecdotes and sharp observations, with a unique analogy for each and every scrape Charlie Mortimer got himself into. The trials and tribulations of his youth and early adulthood are received by his father with humour, understanding and a touch of resignation, making them the perfect reminder of when letters were common, but always special. A racing journalist himself, Roger Mortimer wrote for a living, yet still wrote more than 150 letters to his son as he left school, and lived in places such as South America, Africa, Weston-super-Mare and eventually London. These letters form a memoir of their relationship, and an affectionate portrait of a time gone by.
