THE COMIC BOOK EFFECT

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Enhancing Reverse Storyboarding using Non-Photorealistic Rendering | Comic books are an important part of entertainment in today's world, but not everyone can draw as good as a comic book. This book introduces a method of creating comic book images from digital photographs using digital image processing methods such as filtering, blending and edge detection. Nowadays, there are many commercial software which will enable generating the same effect. This work will allow the...
