Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

McGraw-Hill. Hardcover. Condition: New. 240 pages. Dimensions: 8.4in. x 5.5in. x 1.0in. Lead and Succeed Like the Worlds Greatest Business Innovator Theres no accounting for Steve Jobss mind. He just didnt think the way the rest of the world does. Regarded by many as the most innovative and influential business leader of our time, Jobs was a visionary beyond compare. He was why Apple is Apple and everyone else is everyone else. We cant transform ourselves into Steve Jobs. How he put his ideas into action, however, was systematic, efficient, focused, and smart. And this you can do. What Would Steve Jobs Do presents the six-part business model Jobs applied to make Apple the most valuable publicly traded manufacturing corporation in the world and the global model for business excellence. While the results of this model can be profound, each step is something you can easily focus on with clarity and purpose: Customer Understand your customers so well that you know what they want more than they do. Vision Dont stop thinking at new product; synthesize your ideas, products, and technologies around a specific game-changing customer issue. Culture Create an environment filled with people who consider cant a bad word. Product Approach your product as something that can change the world not just something to beat the competition or get a job done. Message Deliver a message so compelling that it becomes an extension of the product itself. Personal Brand Make people think constancy, promise, and trust when they think of you. Steve Jobs was a true original. What weve all learned from him is incalculable. And what we can continue to learn from him will shape the world. Transform your organization, recast your future, and do your part to redefine our world using the wisdom and foresight of the greatest business sage in generations. This item...
