

The Sixth Spoon: The Tale of a Probate Lawyer Gone Weird

By Carelle Stein

Carelle Stein. Paperback. Condition: New. 406 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. What happens if you put a probate lawyer, a physicist/cab driver, a Minnesota Rollergirl, and some dead people all together in a slightly irreverent story? Well, you get this book. It's about connections and consciousness; about a woman lawyer who acknowledges that she is looking for something extra, something more. It's fast-paced, sassy, and laugh-out-loud funny. There are several hilarious vignettes relating to law school experiences and courtroom scenes that are somewhat unusual. It explores physics, the concept of syzygies, quantum entanglement, interdimensional time travel, the Theory of Everything (TOE), popping the quiff, and Penrose tiles. The author has pulled in northern climate experiences and readers may recognize Minneapolis, Saint Paul, Duluth, and other up-nort Minnesota venues, both past and present. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest pdf for ever.

A very great pdf with lucid and perfect explanations. It really is really interesting through reading time period. You won't really feel monotony at any moment of your own time (that's what catalogs are for about in the event you question me).
