Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After finding \$20 million in his back seat, Maine Richter must navigate the streets of Los Angeles; to escape the mobsters, corrupt cops, and gangsters that are after the money and want him dead. This high-speed action book has been left in its original screenplay format that garnered much attention in Hollywood but never made it to the big-screen. Having placed in multiple competitions and being optioned a couple of times, this script eventually helped Aaron Denius land a job in a TV show s writing room. The book is not only intended to entertain, but also intended to give insight into a subcategory of Hollywood scripts. Those that are successful but for various reasons don t get made into movies.
