By Stephen Cherry

SPCK Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A sequence of beautifully crafted prayer-meditations for daily reading from Advent through to Candlemas. By the author of the hugely successful Barefoot Disciple (2010) and Barefoot Prayers (2013) Especially helpful for people with a heavy workload - whether lay or ordained From the Introduction: Barefoot Ways offers the reader a poetic, prayerful meditation for every day of December and January. It connects with the spiritual themes of Advent, Christmas and Epiphany and takes the reader from the first days of a new Christian year to the feast of Candlemas on February 2nd. These three great Christian seasons are divided into thematic areas, each of which is given a brief introduction. The distance from Advent to Candlemas is considerable, and there are many ways across its fearful and fascinating terrain. I offer here some barefoot ways - by which I mean ways that are both down to earth and yet full of spiritual aspiration and hope.
