*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

In recent months, Ladies Home Journal, The Week, Redbook, and New York Times have all run articles on bullying. Episodes of Hannah Montana and Glee have dealt with bullying, and MTC launched a reality TV show called Bully Beatdown in 2009. Even the US Government is concerned; the Department of Health and Human Services has an interactive website dedicated to cyber-bullying. Bully in the Mirror can be a powerful part of the solution. The book blends facts about the negative effects of bullying with the author s views. Since Shanaya is a 13 year old girl who has been bullied, her experiences and those of her friends create an immediate connection with today s kids. Each chapter provides important facts along with tips and exercises Shanaya created. Readers learn how bullies operate and how to stop them in their tracks.
