PREVALENCE OF HBV AND HCV IN DIALYSIS: A 4-YEAR REVIEW IN ALBANIA

Prevalence of HBV and HCV
in Dialysis: A 4-year review
in Albania

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | End stage renal diseases are still a public health issue. The ESRD prevalence is increasing every day and these depend on different risk factors. The main treatment is on maintenance hemodialysis or renal transplant. Patients under maintenance hemodialysis are at a high risk in developing viral infection because of high levels of uremia, as a known factor to make ESRD patients more susceptible cause of defects on cellular immunity, neutrophil function and...

Reviews

It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

-- **Mr. Norval Reilly V**

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

-- **Jaiden Konopelski**
