Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Dr. Rhea Lynch left a suffocating life in Charleston to practice medicine in the ER of a small South Carolina Hospital. Now, Dawkins County is her home, a place that holds the only real family she s ever known. But when she returns from vacation, Rhea is shocked to discover that her best friend, Marisa, is near death and unable to communicate. The official diagnosis: a paralyzing stroke. Despite the family s attempts to keep her away, Rhea is determined to make her own diagnosis. In a surreptitious examination, a hideous truth is revealed. Then a man is brought into her ER with similar symptoms. And then another. Each one of her patients has been willfully, brutally, silenced in a most inhuman way. Desperate to find answers, Rhea must determine who she can trust, as a powerful conspiracy threatens the people she loves--and perhaps the entire community.
