The objective of this book is to provide some simple biblical insights from different angles, from the perspective of two people who took a shot at marriage, did it their way, failed, and dared to try again--God's way. This couple deals with the most practical, nitty-gritty matters--right to the heart of the deepest spiritual issues that arise in relationships. They delve into the breakdown and complexity of true love, God's purpose and design for marriage, understanding gender roles, right down to the dynamics of a thriving relationship. Read about their personal stories of restoration--how God used their failures and makes all things new!.

Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

The very best publication I possibly read. It was written very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
