PICTURES OF THE FLOATING WORLD (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pictures of the Floating World The march of peoples is always toward the West, wherefore, the earth being round, in time the West must be East again. A startling paradox, but one which accounts for the great interest and inspiration that both poets and painters are discovering in Oriental art. The first part of this book represents some of the charm I have found in delving into Chinese and Japanese poetry. It should be understood, however, that these poems, written in a quasi Oriental idiom, are not translations except in a very few instances all of which have been duly acknowledged in the text. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
