

Puppy Training: Puppy Training That s Fast and Simple-How to Housebreak, Crate Train, and Obedience Train Your New Puppy (Paperback)

By Hannah Mortonson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Make The Transition From Unlearned Pup To Man s Best Friend As Soon As Possible So you just brought your brand new puppy! How do you feel? Probably super happy and excited. But here s the real question: Are you ready? Are you ready for the winning, the barking, and the wandering around the house? How about the biting, the constant energy, and, of course, the accidents in your home? These things are all natural when it comes to owning a brand new furry friend. But you should be prepared for the next couple of months. Look, training a puppy is not an easy job. It requires time, a lot of patience and consistency. This book won t promise you that you ll be able to raise up a perfect puppy in 7 days, or 10 days, or even 30 days. This book won t over promise and under deliver. What this book will do is show you the path, the plan, and the principles to guide you. You have to put in the work and be consistent. This book is a no-nonsense guide...
