It is in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Folded Word, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.With these compulsively readable stories, Michelle Ristuccia creates a new genre in PREMEDITATIONS. This chapbook achieves a fresh look at our times, seeming to simplify while posing new questions about all we accept as reality - much as fairy tales and sci fi must have when first told. Ristuccia reveals forbidden texts, such as the complete Articles of Faith concerning cookies: tenets that are funny and a little sad, that cut to the core of our many belief systems. She dares tell first-person, true-life accounts of encounters with stick figures that become threatening; with a father who has a dangerous, rejuvenating secret; with immature non-human beings that in no way resemble anything we've come to expect. Whether humanoid, android, or otherwise sentient, PREMEDITATIONS is a must read.
