It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this PDF by which it actually transformed me, affecting the way in my opinion.

CICO Books. Paperback. Book Condition: new. BRAND NEW, Nordic Crafts, Mia Underwood, Add a touch of Scandinavia to your home and your wardrobe. Scandinavian style has never been more desirable, with its emphasis on natural materials, light and fresh colours, and classic motifs. Mia Underwood inherited her love of making things from her Danish grandmother, and she understands both the techniques and the heritage of crafts from Scandinavia. In Nordic Crafts she presents 35 new projects which reflect the traditions of the Scandinavian countries, with a modern twist. Projects for the home include a novel bread basket, and a gorgeous bird mobile. For a child's room, there is a beautiful baby blanket, and a woodland scene to hang in the window. For playtime, felt animal masks will fire your child's imagination, while nisse - mischievous elves - are easy to make from scraps of wool. The Danish love of coziness and comfort - 'hygge' - is reflected in patterns for felted slippers, embroidered mittens, and snoods for both adults and children. Finally, there are things to make for the celebrations that come round every year, including the all-important Christmas decorations, and ideas for decorating your home at Easter, in the Scandinavian way.
