

The Anthroposophical Approach to Medicine: v. 1 (Hardback)

By Friedrich Husemann

Anthroposophic Press Inc, United States, 2016. Hardback. Condition: New. Revised ed.. Language: English . Brand New Book. Today s medicine is strongly influenced by natural science, which focuses entirely on the material nature of reality. Molecular biology has become the foundation of modern medicine with the result that today s medical industry chases after technology to solve all its problems. In the process it is losing its own essence as it moves into fields increasingly alien to human nature as a whole. Nevertheless, many doctors are beginning to reexamine this exclusive worldview in favor of a more wholistic approach to healing. To this end, anthroposophical medicine encompasses a wide range of healing modalities, including orthodox, allopathic medicine. The Anthroposophical Approach to Medicine explores the body s relationship to soul and spirit on the basis of Rudolf Steiner s insights into the activities of the spiritual world. Edited by doctors Friedrich Husemann and Otto Wolff, this book invites us to an in-depth view of a true alternative to materialistically oriented medicine. Chapters include essays on childhood development and diseases; the disorders of old age; neuroses and psychological imbalances; pharmacology; healing plants; biochemistry and pathology; blood-work; and special diagnostic techniques. This first...
