Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Being up to date and set in the foreseeable future 2020-2030 which is not far ahead, involving and expounding the effects of new technology and current affairs happening today. Whilst not veering far from the norm and only edging around the whole supernatural element which becomes the main theme, and covert player in the form of T.X.Orange. As the covert operatives try to maintain control of European disasters besetting the earth in the form of The Union based in mainland Europe, enlist the help of T.X.Orange. Who is not likely to follow any ones lead or tidy schedule having his own more powerful agenda. T.X.Orange tries to maintain his secret nature which others imagine could reverse the disasters, and determine what the aberrations in the paranormal world he seems involved in, actually are. Later in the series French Knight Templar s and ex-presidents get involved and embark on a spiritual journey not favoured by T.X.
