Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

BRIDGING THE GAP: SUCCESS AFTER YOUR SENTENCE: STUDENT EDITION (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Student. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this training manual is to offer practical solutions on how you can succeed after your sentence. U.S. statistics show the revolving door from prison release to rearrests, to reconviction, to returning to prison within three years. Returning to prison not only effects the one who returns, but it impacts the lives of everyone directly or indirectly. Bridging The Gap: success after your sentence is designed to challenge, empower, and equip you with the necessary tools to rebuild your life one brick at a time. A change of direction occurs with a change of mind. The power of choice can either be your key to freedom or your prison of bondage.
