Authentic Media, United Kingdom, 2008. Paperback. Condition: New. Language: N/A. Brand New Book. Plan Be is a simple practical easy-to-use manual for a do-it-yourself global ethical revolution. In this book Dave Andrews rescues the beatitudes from their obscurity as a poetic introduction to Jesus sermon on the Mount, and reframes them as a set of radical Be-Attitudes that we can use as a life-changing framework for being the change we want to see in the world. In 8 concise punchy chapters Dave unpacks the hidden dynamics in the 8 Be-Attitudes and shows us how they can help us reshape our personal-political worlds. When I met Dave Andrews a few years ago, I could feel the fire burning in him. Then I heard him speak. Then I read his books. Ever since, he has been and continues to be a major inspiration for my life and work. I think Plan Be will be his most widely - read book yet. - Brian McLaren, author and activist.
