The Catholic University of America Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. This book presents the first full-scale study of the Tractatus de penitentia (C.33 q.3) in Gratian's Decretum, which became the textbook for canon law and served as the basis of the church's developing jurisprudence, in theory and in practice. The treatise on penance stands out as a distinct, overtly theological section of Gratian's work and was long suspected of being a later addition to the Decretum. As a result, the treatise has not received thorough treatment and has often not been included in scholars' general discussions of Gratian's work, its nature, and its purpose. Manuscript discoveries in the 1990s proved the treatise to be authentic and to be part of Gratian's early drafting of his text. This study examines the treatise in its entirety, providing a commentary on the content of the treatise (which extends beyond questions of penance) and an examination of its relationship to the early twelfth-century schools, positing above all a connection to the school of Anselm of Laon. The study also re-examines the question of the nature and purpose of Gratian's Decretum in light of the original inclusion of De penitentia and of Gratian's role as a teacher, or master. The second half of the book traces the influence of De penitentia in the second half of the twelfth century and through the pontificate of Innocent, culminating in the Fourth Lateran Council (1215). That period was crucial for the development of systematic theology and ecclesiastical jurisprudence. Nevertheless, the period was also one in which boundaries between academic fields were far from solidified, which the treatment of De penitentia by various intellectuals demonstrates. The period witnessed as well the development of new kinds...
