Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Daisy Miller: A Study I hardly know whether it was the analogies or the differences that were uppermost in the mind of a young American, who, two or three years ago, sat in the garden of the Trois Couronnes, looking about him, rather idly, at some of the graceful objects I have mentioned. It was a beautiful summer morning, and in whatever fashion the young American looked at things they must have seemed to him charming. He had come from Geneva the day before by the little steamer to see his aunt, who was staying at the hotel - Geneva having been for a long time his place of residence. But his aunt had a headache - his aunt had almost always a headache. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
