Why Read This Book? I am a Team Coach with over 10yrs experience in creating High Performing Teams. Now I want to share my strategies with you because I want people to enjoy their work and feel that they are making a valued contribution. Who could benefit from reading this book? Anyone who leads a group of people, who need to work together to get something done. What s different about my Team Coaching? I give you the exercises that I have already tested with real teams. You can run those exercises with your own teams to gain the same results. This is not a theoretical book and there is no need to pay for psychological profiling or team games like building rafts to float across rivers!
