Carlton Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. I Ching, the ancient Chinese art of divination, has been the most popular form of fortune telling in China since around 1,000 B.C. and has as much relevance in our lives today as ever. Every day we have to make many decisions at various levels, and pressures from all sides, at home, in the office, even at play, abound. Some decisions are easy to make, others require much soul searching. The I Ching Pack helps to clear your mind and gives a new perspective on the problem or decision at hand. The I Ching evolved as a practical guide to help solve everyday problems at work and at home. When seeking help with a problem, whether personal, social or financial, the I Ching can offer insights hitherto unthought of. This version is unique in that it is presented as a complete package with three special oracle coins. To use the I Ching, three coins are thrown 6 times. Based on how they fall, a chart is consulted to give two lots of three lines or trigrams which form a hexagram. This hexagram is then interpreted to help you resolve the problem.
