The next you re at the bottom scraping the dirt from the bruises. Temptation was tired of the roller coaster and all the turmoil that it came with. Temptation snagged her Zeno. It happened as a fluke, but you can t deny chemistry. Or can you? Unfortunately, she was unable to ask that question for long because Twon proved that he could be repulsive enough to make anyone say I m done with all men. Being young and dumb is a passage into adulthood. Adulthood, you should know right from wrong. Twon never really got that memo, and just keeps trying to make a name for himself making sure that he hurts anyone in his path. Learning lessons isn t what he wants to do. Zeno was more than a lady s man. He was street royalty. Getting enemies while he was adding notches to his belt. Never keeping the same chick for long, and never doubling back. All while stacking money and building his empire. That is until Temptation catches his eye. Again. Blink owes Zeno his life. Majestic shows Temptation the ropes. Who knew that Blink and Majestic were just as lost and confused as everyone else. Love and betrayal torment these people from before they could decide for themselves. Watch as they try to combat all the wrong that was ever done.
