Xulon Press. Paperback. Condition: New. 46 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. A new era has dawned on mankind. One of increased faith and spirituality, one that affects the physical world in which we live - a world in which believers have a significant role. No longer can we relegate our divine responsibility to mere church going. It is time to take what we have been learning from the Word of God and translate it into practical, working principles. Our actions, our thoughts, and our words are all tools that either add to, or decrease the quality of our lives. Using these tools effectively seems to be a challenge for many; we have mastered the art of functioning in the church world; it is now time to adopt the rudiments for living effectively in the secular world. She is Founder and President of Ambassador for Christ Ministry and Possibility Seminars - a ministry where the goal is to challenge believers to demonstrate their faith by their works. In her Professional and Spiritual Development Seminars, Dr. Barnett combines spiritual and business principles into practical applications to illustrate the importance of applying FAITH to day-to-day living. A diverse speaker and defender of The Faith, Dr. Barnett ministers at churches, conferences, conventions, seminars and womens retreats. Edna and her husband Godfrey have been married for over 40 years, and reside in Westchester County, New York. Together they have four children; Michael, Gregory,...
