

Managing Project Delivery: Maintaining Control and Achieving Success

By Trish Melton

ELSEVIER SCIENCE TECHNOLOGY, United Kingdom, 2009. Paperback. Book Condition: New. 241 x 188 mm. Language: English . Brand New Book. This is a practical handbook for career project managers and those involved intermittently with projects throughout their career. Brief and visually led, Managing Project Delivery gets to the point, giving you the knowledge and confidence to manage project benefits and increase the certainty of success. Focused on the needs of engineering and technical Project Managers, but generic enough to support projects in other areas such as business change, IT and product development. Supported by downloadable on-line project benefits management tool templates that enable the techniques developed in the book to be applied in practice. Comprehensive real world case studies demonstrate the use of tools. Successful projects are the basis for the business many successful organisations, but many professionals lack the basic skills required to manage projects successfully. This book shows how to maximise the outcomes of projects and to ensure that the benefits arising from projects - large or small - are fully realized by the business. This key outcome can be easily overlooked or sidelined by the need to keep projects on track. Managing Project Delivery provides simple yet powerful...
