As young adult Jannah prepares for the happiest day of her life and the highlight of her romantic love story, fate intervenes and leaves her adrift in a sea of loss and grief. Her fiance has been killed in a car accident. While the life of her friends and family continues around her, Jannah cannot seem to come to terms with the tragedy and hope for a bright future has never seemed further away. But even as her friendships deteriorate and her friends and ghost memories of Zafran play through her head, all is not as it seems. One night, Jannah hears a voice, one that in her state of loss and grief she dismisses it as fantasy, a hope that her once romantic love story is not quite as dead as she thought. It can't be Zafran. But through visitations by his ghost memories begin to surface and a new, more paranormal romance surfaces. Is it simply a way for her mind to cope with her grief, or is Jannah being visited by the person she thought she would never see again? A heartfelt young adult paranormal romance about tragedy and loss set against a backdrop of British Muslim life.
