ZOMBIE PREDATORS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.During certain times of the year, the Earth's orbit passes through a belt of high concentration of cosmic dust and other things, and many people watch as these meteors sail by. However this story tells of what happens when one very unusual meteorite hits earth in Navada carrying a very unusual substance and what happens. You will be shocked and horrified to see how this space object has affected the people and animals of earth shortly after striking the ground. Doug a scientist in an Astro / Bio laboratory in the woods makes a startling discovery that may change the evolution of life on this planet as well as how people will have to change if they want to continue on in the future.
