Penguin Books Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Exploring the question of what exactly makes good people good, Protagoras and Meno are two of the most enjoyable and accessible of all of Plato s dialogues. Widely regarded as his finest dramatic work, the Protagoras, set during the golden age of Pericles, pits a youthful Socrates against the revered sophist Protagoras, whose brilliance and humanity make him one the most interesting and likeable of Socrates philosophical opponents, and turns their encounter into a genuine and lively battle of minds. The Meno sees an older but ever ironic Socrates humbling a proud young aristocrat as they search for a clear understanding of what it is to be a good man, and setting out the startling idea that all human learning may be the recovery of knowledge already possessed by our immortal souls.
