Ronin Publishing, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. We have freedom of speech but we re afraid to speak. Our lives have become subjected to PC tyranny--a constant fear of offending someone. We think that we are independent and that it is the other guy who is influenced, brain washed, duped, persuaded. We feel like we think for ourselves. How can we feel otherwise? There s no way to know because countless influences and interactions have molded us. We re members of various groups--circles of friends, family, professional groups, hobby group, and workplace groups. Groups have a way of developing a view that it imposes with a kind of group-think. We want to belong, to be liked and included so go along and get along. We don t make waves by questioning. If we have a different view, we keep it to ourselves. Why rock the boat? Thinking for yourself is not so easy. When encountering an argument to a long held opinion or a wild idea, we use critical thinking to evaluate it, as we were taught to do in school. The problem is that critical thinking is critical. It focuses our thinking on the negative--what doesn t work, what s wrong with the idea--and encourages my-side thinking where we evaluate evidence in a way that favors our beliefs and entraps us into closed-mindedness. Thinking for yourself requires open-mindedness. Open-mindedness is being receptive and, when the issue is important, calls for actively searching for evidence against your beliefs. Thinking is not driven by answers but by questions. Every intellectual field is born out of a cluster of questions to which answers are needed. Had no questions been asked by those who laid the foundation for a field --...
