BIOPOLITICS: AN ADVANCED INTRODUCTION (HARDBACK)

New York University Press, United States, 2011. Hardback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.The biological features of human beings are now measured, observed, and understood in ways never before thought possible, defining norms, establishing standards, and determining average values of human life. While the notion of biopolitics has been linked to everything from rational decision-making and the democratic organization of social life to eugenics and racism, Thomas Lemke offers the very first...
