Hal Leonard Corporation, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Nirvana, the White Stripes, Hole, the Hives - all sprang from an underground music scene where similarly raw bands, enjoying various degrees of success and hard luck, played for throngs of fans in venues ranging from dive bars to massive festivals, but were mostly ignored by a music industry focused on mega-bands and shiny popstars. We Never Learn: The Gunk Punk Undergut, 1988-2001 tracks the inspiration and beautiful destruction of this largely undocumented movement. What they took, they fought for, every night. They revelled in 50s rock n roll and 60s garage rock while creating their own wave of gut-busting riffs and rhythm. The majority of bands that populate this book - the Dwarves, the Gories, the Supersuckers, the Mummies, Rocket from the Crypt, Jon Spencer Blues Explosion, the Muffs, and the Donnas among them - gained little long-term reward from their nonstop touring and brain-slapping records. What they did have was free liquor, good drugs, guilt-free sex, and a crazy good time, all the while building a dedicated fan base that extends across America, Europe, and Japan. Truly, this is the last great wave of down-and-dirty rock n roll.
