Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. All my life I d always known what the Gentry boys were. A set of fraternal triplets born to a depraved family, they were rough, sexy, and wild as wolves. I don t even know if love is real. After running from the bastard who brutalized me, I limped back to Arizona, choosing a vibrant college town in the hopes of starting over. I never expected to find him there. Cord Gentry. He and his brothers were tough, lusty forces of nature I d known since childhood. Years ago Cord seduced me as a sick game. I ve hated him ever since. Now here he is again, a man who beats other men bloody for money. Cord has always been heartless, dangerous, not to be trusted. And I want him so much I can t think. They called us those white trash Gentry boys until we believed that was what we were. Our people squatted at the edge of a hellhole prison town for generations. The childhood we endured was the stuff of nightmares. I d learned early on that my brothers, Chase and Creed, were the only people on Earth worth my time. They all told us we were bad, that we d always be bad. The horrors of the past have scarred my soul. But now I need to be better. For her.
