Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An enemy with nothing to lose is the most dangerous one of all In August 1945, Japan was hit with two nuclear weapons. This, along with the Soviet invasion of Manchuria, caused the government to surrender. What if it had not? Paul Hynes imagines a world in which a fanatical junta takes over Japan and pledges a fight to the bitter end. Using real-world plans relating to the invasion of the Home Islands, along with an extensive knowledge of American, British, Soviet and Japanese attitudes and capabilities at the time, Hynes crafts a story of harrowing losses, desperate measures, and unspeakable horror for the civilian population.
