

My Friend Has Down Syndrome (Paperback)

By Jennifer Moore-Mallinos

Barron's Educational Series Inc., U.S., United States, 2009. Paperback. Condition: New. Language: English. Brand New Book. The sensitively written Let's Talk About It Books encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers related advice to parents. My Friend Has Down Syndrome explores this common chromosomal condition from a child's perspective. Younger children may be confused and have many questions when they encounter kids who have Down syndrome. Here, in this reassuring story, two children, one with Down syndrome and one without, learn that they are both good at different things and that by helping each other overcome their fears and difficulties they can accomplish a great deal together.
