Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

Do you recognize the difference between a job and a true opportunity? -Do you worry about settling for a paycheck when you want to work with passion and purpose? -Are you busy for hours online, yet totally unproductive? -Are you drowning in coffee, networking but getting nowhere? -Have you outsourced the direction of your career to piece of paper? -Are Recruiters Head Hunters not returning your calls? Know why? -Do you need a plan to make measurable progress, now? Consider this fact: What you choose to do for the rest of your life is the fourth most important decision of your life. Right behind if you want to marry, whether you choose to have kids or religious beliefs, the issue of what you do while on planet earth is huge. Yet most people take more time to plan for a wedding or birthday party then they do for their career! It s time regain control and clarity for the fourth most important decision of your life. Economy of One will teach you to: -Identify six paths to pursue revenue outside of get a job or start a business -Avoid a broken employment system, going direct to companies and people who need exactly what you have to offer -Act like an executive agent, recruiter and professional connector -Think and act like an entrepreneur (even if you aren t ready to commit to being one) -Recognize the difference between another job and a customized vision of a true opportunity -Avoid being positioned as a desperate jobseeker, retrofitting yourself -State with clarity the Story of You(TM) -Strongly position your value to tap the 80 of positions not posted -Understand the difference between sincere relationship...
