

## The History of the Class of 74: Of Princeton College (Classic Reprint) (Paperback)

Filesize: 1.64 MB

### **Reviews**

*Complete guide! Its this sort of good read. It is rally exciting through studying period. I am just pleased to explain how here is the very best publication i have go through inside my own existence and could be he very best publication for at any time.  
(Adele Rosenbaum)*

**THE HISTORY OF THE CLASS OF 74: OF PRINCETON COLLEGE (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The History of the Class of 74: Of Princeton College If any one might ask why I have come to make these surmises, I would answer that out of mere, and. I hope pardonable, curiosity, I was lead to compare the writings of the Greek Historian with those of our esteemed classmates, the Senator and Nick, and so great was the difference, I was forced to believe that the Greek was wanting in solid training. I may add, parenthetically, that the resemblance is only one of style, and not of paraphrase as we might think when scanning the productions of the Trojan. But a truce to apologies now. We are assembled on an occasion, classmates, when by-gone things should be forgotten, and justifications needless. The petty feuds, and hostilities, and wranglings of our college course, the mutual shortcomings, let us bury, for to-day at least. Let memory, her step impeded by no halting recollections, wander back over the past four years, and cull sweet blossoms, fragrant and dewy, from the garden of our retrospect. Let us have no mournful imaginings; no miserable pictures of faded garlands and withered wreaths; no cloud-swept skies and howling winds, and bitter, cheerless landscapes. Let us banish for the time, if they will rise in the next hour to some of us, all morbid musings over wasted opportunities, all despondent sighs over the petty done, the undone vast. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
