FENG SHUI YOUR LIFE! (PAPERBACK)

Booksurge Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Feng Shui Your Life! is beyond your ordinary book on feng shui. What makes it unique among the many books on feng shui? Yes, it shares traditional feng shui concepts that you can immediately apply to your environment.but it also uses those same concepts to guide you towards balance in your inner environment (body, mind, heart, and spirit) so you can create the life you were meant to live. This revolutionary book offers two complementary aspects of feng shui information that you can use to change your life: * Outer Feng Shui - Valuable feng shui basics such as the Yin-Yang theory, the Five Element cycles, the Bagua (an energetic map of your home), useful feng shui tips, and above all a common-sense approach to understanding the spirit behind the rules of feng shui and trusting your instincts. * Inner Feng Shui - An inner journey via questions and exercises called Lifework. Uncover things about yourself you have forgotten, discover how you are and are not living authentically, and find the empowerment to identify your true values and reclaim your true self and your purpose in life. If you are ready to call forth the full expression of who you are and make changes in your life, this book will show you how to operate from your heart and use your environment to support you. Going much further than conventional teachings on feng shui, Feng Shui Your Life! is a breakthrough guidebook that contains everything you need to transform your life.
