## BUILDING STRONGER ACCOUNTABILITY

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Managing Performance in Victim Services | This action research examined current practices and organizational structures in obtaining data in relation to performance measurement and management within the Victim Services sector in British Columbia. Research in the area of performance measures and management is somewhat sporadic with limited research in the area of measures within the Victim Services sector. The literature review explored topics such as: organizational culture, performance management, and strategic planning because they all impact the implementation of such measures. The research...

*A really great publication with perfect and lucid explanations. Of course, it is play, continue to an amazing and interesting literature. I discovered this book from my i and dad suggested this publication to find out.*

-- **Dr. Augustine Borer**

*Definitely one of the better books we have possibly read. We have read through and I am also certain that I am going to study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
