Bantam Books, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Can a vet detective catch a killer who's hopping mad? Veterinarian and amateur sleuth Jessica Popper races down the rabbit hole and into a vintage case of passion and betrayal in Long Island's elite wine country in *Hare Today, Dead Tomorrow*. It's harvest time, but this season's crop includes chardonnay, merlot, and murder. The victim is heir to one of the North Fork's most prestigious wineries-and if the crime isn't shocking enough, the prime suspect is one of Jessica's closest friends! Between managing her menagerie of pets, including Lou, the one-eyed Dalmatian, her tailless Westie, Max, and a tiger kitten who thinks she's queen of the jungle, commitment-phobic Jess struggles to adjust to a new addition to her household: live-in boyfriend Nick Burby. But even that proves easy compared to the challenge of catching a killer who's left nothing behind but a hare--a stuffed bunny rabbit. To clear her friend's name, Jess must maneuver through a warren of bizarre twists and more suspects than a bunny has offspring-and she'll need her own lucky rabbit's foot to avoid becoming this killer's next victim. Five paws up for Cynthia Baxter's *Reigning Cats and Dogs* series! --Carolyn Hart.
